guardian

The Guardian is a NIJ Level II compliant bullet resistant vest custom fitted over the Cozi® chair's back. An NIJ Level II compliant bullet resistant vest will provide protection against regular powered 9mm handguns, up to .357 Magnums.

The vest fits over the back of the chair and is easily removable. With the vest on the chair, it can also be used as a shield by kneeling behind the back of the chair. In a situation where response time can save your life, there is no quicker solution to protection than having the Guardian at your desk.

24/7 VERSION AVAILABLE

How to Use

STEP 1

Pull the back of the vest away from the chair releasing the Velcro® and separating the front and back sections of the vest

STEP 2

Slip your arms under the flaps of the vest and grasp the vest

STEP 3

Flip the front side of the vest over your head

STEP 4

Using the Velcro, secure the front and back of the vest together

The Guardian is an option on the Cozi series. See price book for more information.
