Sit/Stand Table
Stand-biased

In search of the ultimate sit/stand desk? Then the stand-biased solution is the option for you. A stand-biased desk is already at standing height. You simply raise your chair to match. The key is Neutral Posture's patented NeXtep®, which provides a flat surface for your feet ensuring you are comfortable while you are sitting.

Benefits of Using a Stand-biased Desk

- Increase standing by 14% over other sit/stand desks

8000 Series

When nothing but the best will do. Engineered with deep ergonomic roots and comfort in mind, the 8000 Series is unrivaled. With advanced adjustment settings, infinite customization, and unparalleled support, no other chair can be personalized to fit your body this well.

Convert to Sit/Stand

Already have a desk for your home office? Want to convert it to a sit/stand desk? With the StandUp X1, you can quickly and economically convert any existing desk into an effortless sit-stand workstation.

With a 13.8" height range, the StandUp X1 can accommodate a large variety of users and supports up to 35 lbs.

Finishes

Carded, Graded-in & COM Fabrics

Our well-considered collection of carded fabrics allows easy specification for diverse market segments. This collection includes clean, fresh textures and patterns, as well as vibrant pops of color.

If you wish to select fabric from an alternative source, we have graded-in programs with Carnegie, Designtex, Guilford of Maine, KnollTextiles, Luna, Maharam, Mayer, Momentum, Stinson and Victor.

Wilsonart® Laminate

Neutral Posture has developed a materials program that allows easy specification of normally “custom-type” selections. By including the entire Wilsonart laminate offering in the price list, expressing yourself through color and texture has never been easier.

The Neutral Posture standard laminate offering includes 20 laminates with matching edge banding plus 9 additional solid color edge band options. The entire Wilsonart line has been grouped into three pricing tiers - L1 standard, L2 premium and L3 virtual library - for easy specification and pricing.
