

NEUTRALPOSTURE NP

NeXtep®

Take the next step to providing the safest, most ergonomic stool possible.

With its stability and comfort, the NeXtep® makes traditional footrings obsolete. The limited-lifetime warranty and 400 lb. weight rating ensure a long, trouble-free life. Add a NeXtep® to your lab or counter height stool to elevate your environment. The NeXtep® will also retrofit to existing Neutral Posture stools for an immediate upgrade to broken-down rings.
