Sustainability

Building an effective Sustainability Program takes a company-wide effort, but we think it's worth the effort to ensure that our manufacturing process leaves the smallest footprint on the environment. Neutral Posture products are designed and manufactured to support a long and useful product life.

LEED

Looking to get your building LEED Certified? Simply specifying Neutral Posture products can help earn LEED points.

BIFMA level[®] and Greenguard[®] Certification

Neutral Posture cares about the environment and your personal environment. The 8000 Series and 5000 Series are both BIFMA level[®] 1 certified. All of our seating products are Greenguard certified.

Federal Government

Neutral Posture has emerged as a top diversity supplier of seating and accessories for the U. S. Government. We hold a GSA Contract with multiple SINS, a Navy BPA, an Air Force BPA, and contracts with the top defense contractors. We do business with the Army Corps of Engineers, Department of Veterans Affairs, NASA and TSA to name just a few of our top GSA customers.

State Government

Neutral Posture has products available on many state contracts (full list available on our website). As a WOSB we are recognized as a HUB vendor with many states. If you would like for us to take part in your state's contracting, we are happy to work with you.

Local Government

Many localities can buy off of state contracts; however, we can work with your municipality to deliver the best solution for all. Our current municipal customers include the Cities of Houston, Portland and Burbank just to name a few.
