

**Guardian<sup>®</sup>**

The Only Bullet Resistant Chair

# Guardian®

The Guardian® Chair is an ergonomic task chair with an NIJ Level II compliant bullet resistant vest custom fitted over the chair's back. An NIJ Level II compliant bullet resistant vest will provide protection against regular powered 9mm handguns, up to .357 Magnums. The vest fits over the back of the chair and is easily removable. With the vest on the chair, it can also be used as a shield by kneeling behind the back of the chair. In a situation where response time can save your life, there is no quicker solution to protection than having the Guardian® Chair at your desk. The Guardian® is only sold in Canter or Ballistic fabric.
